

**Name:** douglas leslie

**Postcode:** 2355

**About you:** Landholder

**Name of your business or organisation:** berkeley vale hydraulics & eng pty ltd

**1. What improvements should the NSW Government consider making to the existing Private Native Forestry Codes of Practice?:** From my experience ! 1- try and simplify things , less choices and variations, very black and white 2- Better communication between land owner and LLs

**Please indicate which code/s you are referring to:** Northern NSW Code of Practice

**2. Do you have any suggestions to ensure the Private Native Forestry regulatory settings are efficient, enforceable and effective?:** Maybe a few onsite field day , very hard to learn everything in class room , need to see some examples of the different timber regrowth before and after clearing ???

**3. How can the NSW Government improve the authorisation and approval system for Private Native Forestry?:** BE more open and transparent , better communication etc

**4. What training and advice services would assist landholders, industry and the community?:** AS above in the field !

**5. Do you have any other comments or feedback relevant to Private Native Forestry that you would like to share with us?:**
