

Private Native Forestry Review 2020

Draft PNF Codes of Practice Submission Form

21/4/20

**To make an online submission online go to www.ils.nsw.gov.au/pnforestry and follow the links*

The NSW Government is providing all members of the community the opportunity to comment on draft Private Native Forestry Codes of Practice as part of the Private Native Forestry Review (PNF Review). The PNF Review seeks to balance the sustainable development of the private native timber and agricultural industries while recognising the environmental values of the private forest estate. We're inviting your comments on the draft Private Native Forestry Codes of Practice for Northern NSW, Southern NSW, River Red Gum Forest and Cypress & Western Hardwood Forests.

The draft Private Native Forestry Codes of Practice can be viewed on the Local Land Services website at www.ils.nsw.gov.au/pnforestry

Submissions close 19 May 2020. All submissions will be published unless marked confidential.

The following questions are a guide to assist with your submission.

DEAR SIR,

IN REGARDS TO FOREST
OPERATION PLANNING + MANAGEMENT I
WOULD LIKE TO SEE FORRESTED AREAS
HAVE MORE REGULAR HAZARD REDUCTION
BYRN OFFS. I BELIEVE THIS TO THE BEST
WAY TO PROTECT OUR WILDLIFE IN THE
LONG TERM. I AM AN AVID BIRD WATCHER
WITH OVER SIXTY YEARS OF EXPERIENCE.

I HAVE NOTICED IN OUR AREA THE WRENS
TITS + FINCHES ARE MAKING A SLOW
RECOVERY AFTER OUR RECENT DEVASTATING
FIRES. WALLABY POPULATION APPEARS
UNCHANGED. LARGER POSSOMS ARE STILL
HERE. MANY CREATURES EXPOSED TO
THE VERY VERY HOT FIRE THAT WENT
THROUGH HERE WILL BE UNSEEN FOR
MANY YEARS. HOPEFULLY PEOPLE IN
CHARGE WILL BE ABLE TO TAKE STEPS
TO PREVENT FURTHER DISASTERS

SINCERELY
