### 3) CRITERIA

For further information about the types of projects that can be funded and to find out more about some of the current projects follow the link to: [Resilient Regional Agriculture - Website - Local Land Services \(nsw.gov.au\)](https://www.nsw.gov.au/resilient-regional-agriculture-website-local-land-services). If you would like to discuss your project ideas please contact George Truman 0427505040 or email [george.truman@lls.nsw.gov.au](mailto:george.truman@lls.nsw.gov.au).

All applications will require the applicants to complete the Monitoring Score Card's for natural asset management and business competencies (see Factsheet for more information) at the beginning of the project.

#### How much funding is available?

Each project is competitively ranked against other potential projects outcomes. Projects with service provider in-kind contributions will be assessed more favourably. The service provider contribution can include in-kind labour contribution.

#### What funding activities aren't funded?

Activities NOT funded include statutory weed and pest animal control; weed control where a current long-term NWLLS grazing permit extends; boundary and exclusion fencing; clearing of native vegetation.

#### How long do I have to complete my project?

All activities need to be completed by 30<sup>th</sup> June 2023.

#### How will my project be assessed?

All applications will be ranked based on criteria that includes:

- Number of entities engaged (for group projects)
- Number of project outcomes that are addressed (see Part 4)
- Overall cost and in-kind contribution of the project
- How it contributes to adapting to a changing climate and / or market demands.
