# North West Community Advisory Group

The Community Advisory Group (CAG) provides strategic advice to the North West Local Land Services Local Board around matters relating to our customers and stakeholders to assist with the delivery of our services.

What's involved?

- Opportunity to provide community feedback and insights on matters affecting the areas that are relevant to the delivery of Local Land Services.
- Participate in meetings quarterly for approximately two hours.
- Remuneration is approximately \$210 per quarter (plus any travel costs incurred) in accordance with the NSW Government Boards and Committees remuneration framework.
- Be a positive ambassador, consult with your local community and promote Local Land Services and events.
- Carry out other tasks as assigned by the North West Local Land Services Local Board.

About you:

- Must reside in the North West Local Land Services region.
- Experience in community consultation and a sound understanding of current and future issues relevant to the Local Land Services.
- Demonstrated ability to develop and maintain local networks.

How to apply:
