Do you want your submission marked as confidential? *	No
Do you want to receive future notifications and updates on the PNF Review? *	Yes
Which of the following best describes you? *	Environmental organisation
Which draft PNF Code are you providing a submission on? *	Northern NSW
My comments	As a wildlife carer, I am acutely aware of the effect of the continuing drought and the recent fires on the local wildlife. We are currently undergoing an ecological crisis, particularly in regard to endangered birds and animals that rely on hollow trees for food and shelter. Please STOP CUTTING DOWN our NATIVE FORESTS as this is entirely inappropriate within the context of the catastrophic fires which are an ongoing threat. Unlogged forests do not burn as easily.
